Informational Update

RATE REQUEST COMMUNITY INPUT WORKING GROUP MEETINGS

The purpose of the 2023 Rate Request Community Input Working Group will be to offer feedback to CPS Energy management on specific matters pertaining to the utility's 2023 rate request through a series of meetings open to the public.

- The Working Group shall provide its input no later than November 2023.
- All meetings will be held at CPS Energy's headquarters, located at 500 McCullough from 5:00 – 7:00pm.
- Meetings will be open to the public, live streamed, and archived on the utility's website along with meeting materials.
- At the conclusion of each meeting, an opportunity for public input will be permitted on items specific to that meeting's agenda.

Public input is always welcomed and encouraged through existing forums such as monthly Board of Trustees meetings, quarterly Board of Trustees Public Input Sessions, Tele-Townhalls, customer surveys, and the CPS Energy website.

RATE REQUEST COMMUNITY INPUT WORKING GROUP MEETINGS

The Working Group will meet during the month of October and will follow the schedule below:

- October 12, 2023, 5:00 – 7:00 pm: CPS Energy staff will provide a historical perspective on previously approved rate increases and the necessity for continued rate support.
- October 19, 2023, 5:00 – 7:00 pm: CPS Energy staff will provide a briefing on the utility's recent cost of service study and the utility's current revenue requirements.
- October 26, 2023, 5:00 – 7:00 pm: CPS Energy staff will propose continued rate support, answer questions and request feedback.

CPS Energy will continue its practice of soliciting public input throughout its rate request process.
